Armadillo Trailers are proudly Canadian and strive to deliver the most innovative compact recreational trailer. We hand-craft each unit with uncompromising quality and workmanship. The attitudes, actions and activities performed by all personnel are the foundation of our business. We are growing rapidly to meet high demand. This is an excellent opportunity for the right person.

## Job Title: Chop Gun/ Gel Coat Operator

### RESPONSIBILITIES:

- Using air assisted chopper/gel coat gun spray equipment
- Performing basic maintenance & cleaning of spray mix equipment
- Constructing straight seams (eye for detail)
- Applying a even layer of chop/resin combination to specific thickness or gel coat to prescribed thickness or specifications
- Mixing resin, gel coat and putties to desired ratios
- Mould preparation (i.e. waxing and taping of flanges)
- Watch for imperfections prior to spraying moulds
- Compressing and rolling air bubbles out with proper tools provided
- Apply first layer of mat/skin coat with no errors
- Cleaning and keeping work area neat and well organized
- Strong work ethic, prompt and reliable attendance
- Ability to stand and work in various positions for several hours
- Must be accurate and detail orientated to ensure work quality
- Good problem solving/critical thinking skills
- Must work at a responsible pace to meet deadlines and must work overtime as required

### EDUCATION AND EXPERIENCE:

Previous experience as a Chop Gun/ Gel Coat operator would be a definite asset. An auto body technician or sandblaster background would also be considered an asset.
